Two students viewing a filmstrip.

Mrs. Joan Gosenheimer, Mrs. Mary Ptacek, Mr. Raymond Kowalski, Mr. Yukio Itoh

Languages: A Key To The World

The students of foreign languages at Franklin High School do more than study vocabulary, conversation, and grammar. In Spanish, German, Latin, and French classes, students gain an understanding of the people that use these major languages. The International Club and individual language classes were busy this year with projects and planning banquets and field trips.

Mr. Kowalski goes over grammar in Latin.

Drivers Education

Offered to Sophomores, the drivers education course included thirty six hours of classroom instruction, and six hours of actual behind the wheel training in the latest model cars. Completion of the course and attainment of a licence made the students eligible for lower insurance rates.

Instruction was supplemented by pamphlets from auto insurance companies and from the National Safety Council Films provided visual aids and taught the importance of defensive driving and behind the wheel safety.

Mrs. Shirly Gleisner

Home Economics

Home Economics students learned many valuable domestic skills that will make their lives easier in years to come. Among the subjects offered by the Home Economics department were bachelor living, sewing, foods, and family living.

The annual Betty Crocker Search Test and the fashion show were high points of the year that many students looked forward to.

Mrs. Lynn Tiutczenko, Mrs. Mary Ptacek, Mr. Gerald Zawadzki, Mrs. Mary Krambs, Mrs. Joan Gosenheimer, Mrs. Judy Thompson

English students at Franklin High School are taught writing and speaking skills necessary for self-expression. Students also gain an appreciation of important American and European literary works.

All students are required to take English I, II, III; Seniors may choose year courses in English IV, Communication Skills, or semester courses in Speech, Journalism, Modern Literature, and Drama.

This year a Communications Skills center has been provided, which will help students in both written and verbal communications.

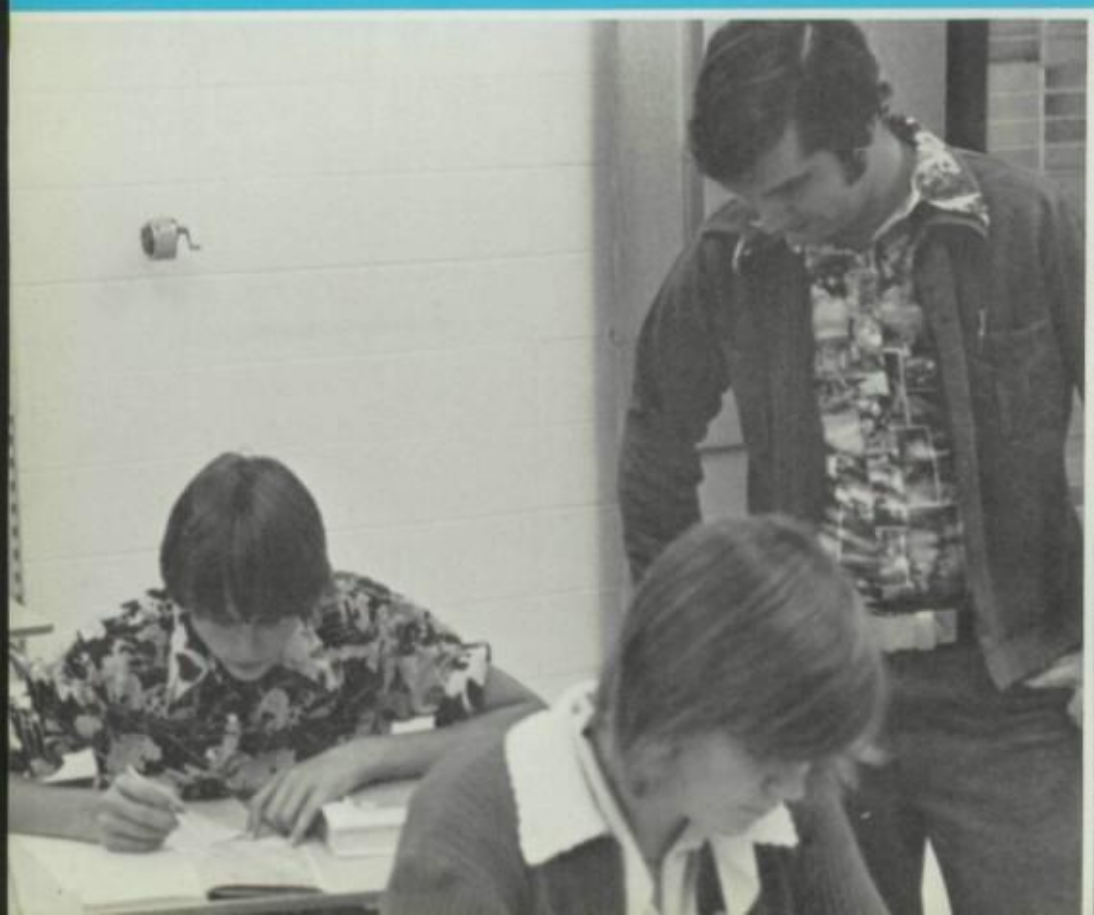
Social Science: A Guide To The World

Franklin High School's social science department offers many courses which increase our knowledge of the past and present. This knowledge will hopefully lead to the improvement of the future. Courses in Eurasian-African studies and United States history are required through the junior year. Beginning in the junior year, students may select from the following elective courses: Psychology, The Soviet Union, Anthropology, Ancient History, Sociology, Advanced Economics, The Two World Wars, and American Government.

Mr. Hedrick's class working on a map assignment.



Mr. Cutsforth's class listening to a lecture.

Art: An Expression Of Youth

Art is the path of the creator at his work. Franklin High School gives its young "creators" many opportunities to creatively express themselves through a wide range of media. A four-year art program begins by teaching art students the basic concepts of color and design, and proceeds through studies of art forms such as painting, pottery, jewelry, and printing.

ACTIVITIES

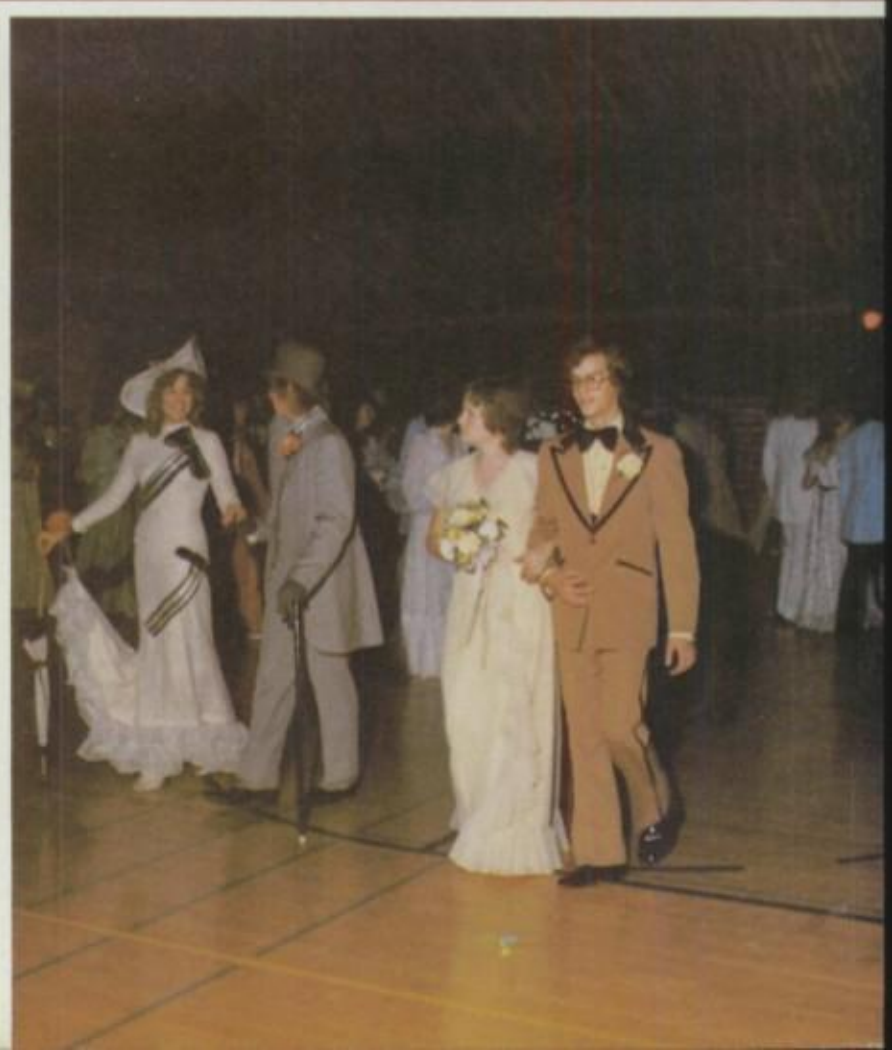
"Dream On"

Although the theme of the 1976 junior prom was "Dream On", it took a lot more than dreaming in order to transfer an ordinary gym into a glorious dreamland. The task, which began in October, led right up to the day of the dance - May 15, 1976.

On April 13, prom preview was held, during which the prom court was introduced and the prom king and queen were announced.

Finally, when the big night arrived, prom goers entered the dance to the beat of "Stinger." The Grand March was a memorable event for the five court couples- during which Prom King Dave Eddy and Prom Queen, Janet Kozminski, offically began their royal reign. Their court included - Glen Glow and Dawn Huebschen, Mike Rohach and Colleen Blochowicz, Mike Rohrwasser and Laura Sorsek, and Brian Trzecinski and Bernie Farrell.

After the dance, which ended at 11:30, the couples proceeded to the Ramada Inn where a buffet meal was served. The music at post prom was provided by the "Louisville Sluggers."



Barefoot In The Park

Last year's Spring play was Neil Simon's hilariously delightful comedy, "Barefoot in the Park".

The play depicted some of the problems that the newlyweds, Corie and Paul Bratter, come up against after the honeymoon is over, and they have to start the marriage. At first, they are, of course, very much in love, but after several days in their run-down, fifth-floor, hole-in-the-skylight apartment, they teeter on the edge of divorce. Fortunately, they find love once again before the play ended.

Janet Piraino and Les Kieffer played the newlyweds. Corie's mother, played by Mara Handziak, found herself forced into going out with Victor Velasco, the eccentric who lived in the attic. Velasco was portrayed by Jeff Howell. Ed Albright, the delivery man, and Clark Williams, the telephone repairman, added a delightful ring to the play.

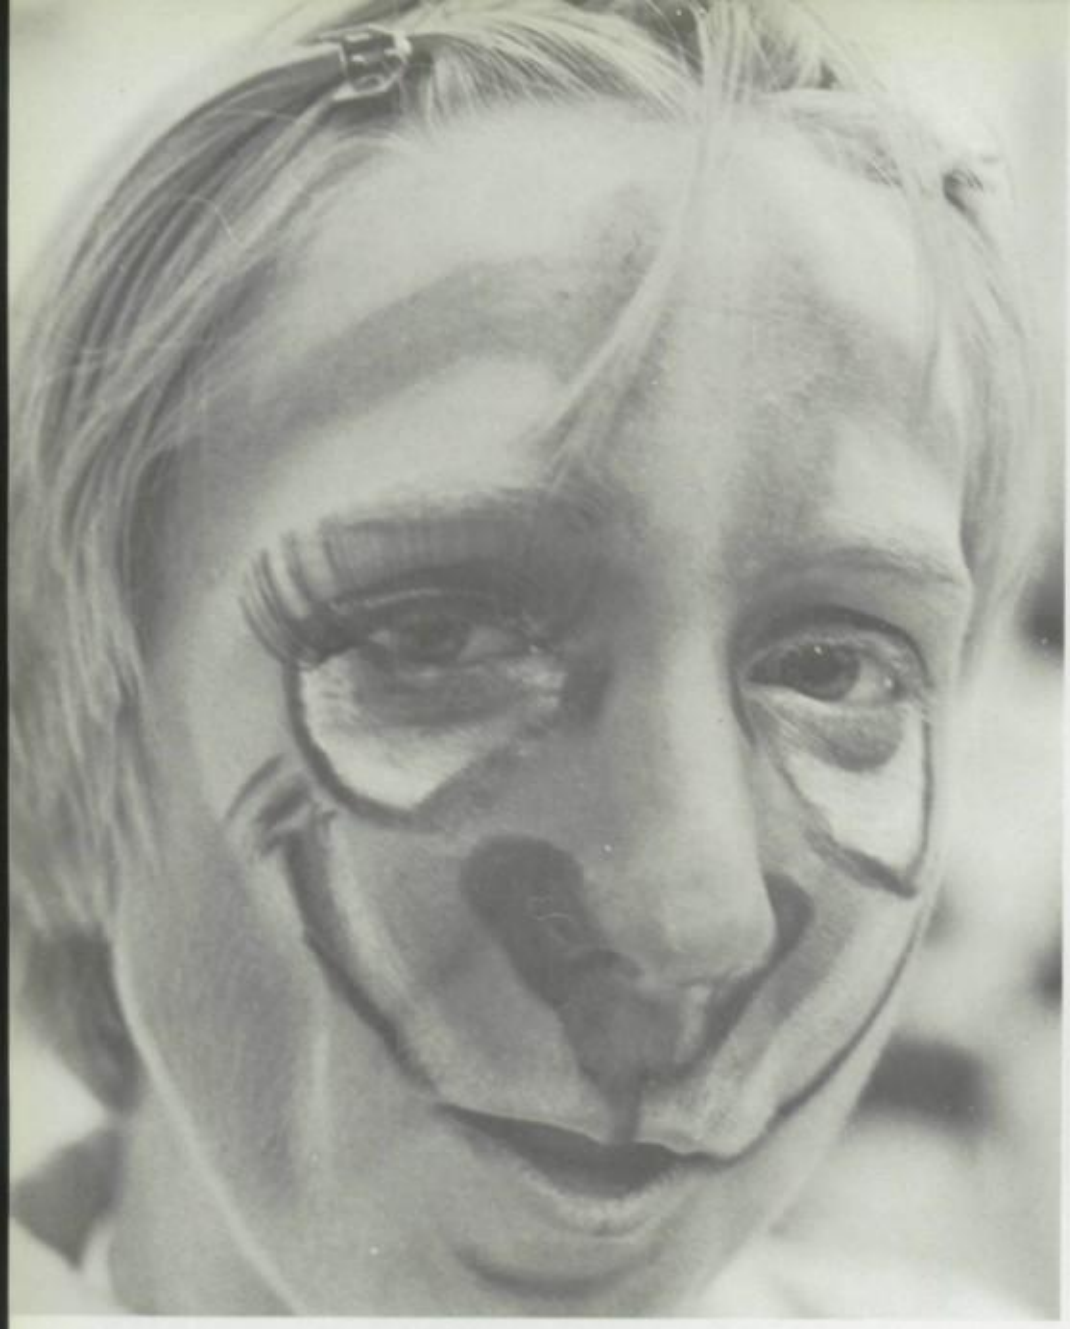
The play was presented under the direction of Miss Carla Noble and Mr. Jerry Zawadzki. Gary Krause was both set designer and technical director. Nancy Aten was lighting technician.

"Roundabout"

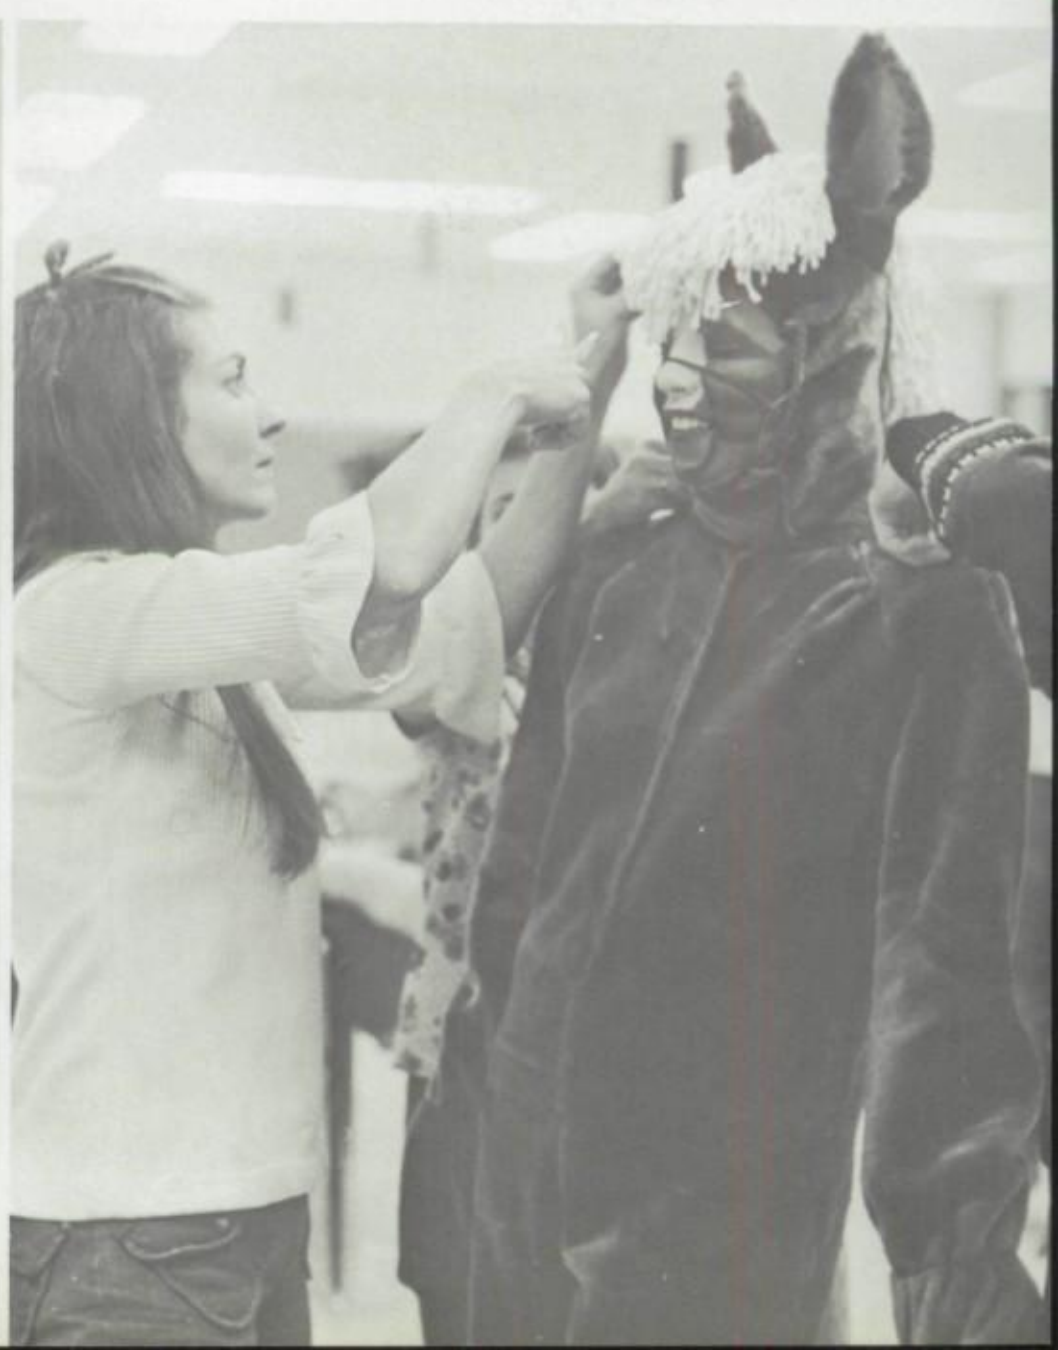
Homecoming '76 dawned on Saturday, October 2nd, a bright, sunny day, just right for a parade and football game. The traditional homecoming parade started out from Pleasant View School, wound through Franklin and finally reached the high school. Several floats, pom-pon girls, cheerleaders, the band, and many people participated. Then in the afternoon, the mighty Sabers eased by the Muskego Warriors by a close score of 22-21.

The events of the day only enhanced the mood of the evening as Queen Dawn Borchardt and King Dave Millin were crowned and enthroned. Their court included Sue Fenning and Mike Fisco, Cindy Kreitlow and Paul Hesse, Sue Bushey and Mark Bluemner, Paulanne Phillips and Joe Lynch, and AFS Student Katy Caicedo and Brad Hayes.

The Homecoming theme of "Roundabout" and the music of Wildwood made the evening memorable for many couples.



"How The Camel Got His Hump"



The one act play for 1976, "How The Camel Got His Hump," kept up Franklin's tradition of state wins in one-act plays. The play, under the excellent direction of Mrs. Krueger, received all "A's" on its journey to state competition.

The story depicting how the camel earned his hump, had a wide variety of characters. The primitive cave man and beautiful cave women are accurately depicted by Jeff Howell and Debbie Davis. The dog and the horse, played by Jane Gyuro and Pam Hesse, were kept busy attempting to get the lazy camel working. The camel, played by Mike Brody and Steve Traylar, was eventually punished for his laziness by the magician Djinn, played by Clark Williams. Carol Mainus, the old women in the audience, added a humorous touch to the play.

The play proves once again that Franklin has the ability and the talent to produce winning plays like "How The Camel Got His Hump."

The Bicentennial

Since last year's FORWARD went to the printers, the city of Franklin and Franklin High School have held a variety of activities in honor of our nation's Bicentennial. Through a combination of community efforts, Franklin's old town hall has been moved to Legend Park and is being restored as a memorial to our city's heritage.

Here at Franklin High, the Bicentennial took a different format. An addition was added to the high school, including a room specifically designed to honor the Bicentennial and appropriately named "The Bicentennial Room." On April 4, ceremonies were held here at Franklin High School to dedicate these new additions, and to recognize the Bicentennial through speeches and songs. A statue of a minuteman, the symbol of American courage and independence, watched over the ceremonies. Following the dedication, an open house of the new facilities was held.

Graduation 1976

The twelfth annual Commencement Exercises of Franklin High School began with a prelude by the Symphonic Band. Dawn Borchardt and David Eddy led the class of 1976 into the gym. After an invocation by Rev. Martin Gloudeman, the graduates and their families were welcomed by Senior Class President Sue Mohrhusen. Ron Pyne, All School President, delivered the commencement address.

The musical talents of the class of '76 were then showcased with a vocal solo by Peggy Pezze and a Senior Octette.

Mr. R. A. Kucinski, principal, presented the class with School Board Member Mildred Perry accepting the class. Mr. Kenneth Windl of the School Board presented the diplomas. Congratulations were given by Mr. H. E. Guzniczak, Superintendent of Schools. The Benediction was said by Rev. Philip Freeland.

Our school board, like all others in the state, has two major functions; policy making and evaluation. In addition, the school board has the important duty of keeping the citizens of the school district informed of the purpose, value, conditions and needs of the educational program. To realize its goals, the school board cooperates with other agencies, both private and public. The board is also responsible for the planning, construction and maintenance of school facilities and for the acquisition of school sites.

The superintendent is charged with the responsibilities of administering the policies of the school board. He is assisted by the director of instruction who specializes in curriculum matters and the office manager who handles such matters as purchasing and payroll.

The school board and the administration look to the citizens of the school district for input on all matters relative to the operation of our schools. Suggestions are always welcome.

Student Council

The connecting link between the school administration and the students at F.H.S. is our student council. The student council sponsors many events and scholarships for Franklin students. On the agenda for this year is the showing of the movies "Other Side of the Mountain" and "White Line Fever;" Spring Carnival; Homecoming, Christmas and Spirit week competitions; fund raising and leadership work shops.

The council further serves the students by sponsoring an annual advertising drive, now in its second year. The money that is raised is put toward improving our FORWARD. The student council's main goal is to solve school problems, and therefore encourages all students to run for student council or give suggestions to student council representatives.

National Honor Society

Junior and Senior students who qualify on the basis of leadership, character, scholarship, and service are installed into the membership of the John F. Kennedy Chapter of the National Honor Society. Membership in this chapter is considered an honor and an achievement.

The chapter sponsors the annual recognition dinner, which honors all students who have made outstanding achievements in extra curricular activities other than athletics. The honor society also sponsors a canned food drive for the needy. To finance its projects, members work in a refreshment booth at the Fourth of July celebration. The officers of the National Honor Society are: President Nancy Aten, Vice President Chris Androjna. Treasurer Larry Jost and Secretary Carol Schwitzer.

F.H.S.'s First Girls' Swimming Team

This year Franklin had its first girls swimming team. Our girls were the first squad to use our new Olympic-size swimming pool.

The girls competed against both J. V. and Varsity teams, since this was our first season. Despite a fine coaching job by Mr. Kling and Mr. Drobat, we did not win a meet this season but did come close when we lost by one point to Whitnall in our last meet.

Thirteen girls competed in the Conference Swimming Meet with our girls coming away with 41 1/2 points, not a bad score for a first season squad.

The team was managed by Sue King, and the Captain was Karen Kazmerchak, the only senior on the team.

Swimmers Off To Fine Start

The boys' swim team, coached by Mr. Kling and Mr. Marcoe, started their first season on a winning note by defeating St. Francis. This winning spirit continued for the rest of the season as the boys won all but two of their meets. At the Conference Meet they placed eighth out of nine teams, defeating St. Francis on the varsity level. The following boys went on to the state sectional meet where they scored twelve points: Paul Plohocky-captain, Roy Thiele, Mike Lensing, Randy Correll, Steve Langhoff, Mark Steffenhagen, Ken Skowronski, Steve Lensing, Dan Plohocky, Tom Gleason, Bob Roghan, and Joe Busalacchi.

Sabers Make Fine Effort

This year's varsity football team learned in a few of its games that coming close doesn't count in football. The team did a fine job even though the final statistics show a won-loss record of two wins and six losses in conference action.

One of the highlights of the season was the Saber's upset of the seventeen game winning streak of Muskego by defeating them 22-21. Leading the Sabers in rushing was Mike Rohrwasser with 1, 016 yards. Mike also led the Sabers in scoring with 36 points and Joel Coert was close behind with 28 points. Total yards rushing for the season was 1281 and total yards passing was 222.

Franklin placed one of its players on the Parkland All-Conference team. Tom Dineen was selected to the defensive team and Mike Rohrwasser received honorable mention to the offensive team.

J.V.'s Beat St. Francis And Greendale

The Junior Varsity record of two wins and six losses does not indicate a disastrous football season for the young Sabers. Spirit was always high, and the small Saber squad represented Franklin well on the gridiron with their hard hitting and hustle. All of the members of this squad will prove to be valuable additions to next year's varsity squad.

It is often said that we learn by our mistakes, and this was especially true of our freshmen football squad this year. Penalties as a result of mistakes hurt the squad early in the season. The squad improved during the rest of the season and surprised a few of the opposing teams with their strength. The freshmen gained much experience while correcting their mistakes and are looking forward to a promising Junior Varsity season.

Langenohl Leads The Sabers

Franklin's varsity cross country team finished their season with 36 wins and 27 losses. In invitational meets our Sabers usually placed among the top three or four teams. At the Conference Meet our Sabers placed fifth.

Bob Langenohl placed second in the Conference, eleventh in the state, and was named to the Milwaukee Area High School All Star Cross Country Team. Senior Art Thiele was Franklin's second-ranked runner during the season. Other members of the varsity team were Dan Walden, Mike Robb, Mike Vojnovich, Mark Zera and Dan Plohocky.

Franklin's J. V.'S completed a successful season, and their improvement indicates a good season can be expected next year.

Carstensen, Martin And Rohach Receive Honorable Mention

After a rough start, the Sabers worked their way up to an eight and eight record. The team played well, and many of their losses were just by a few points. Mark Carstensen was leading scorer with Don Martin close behind. Carstensen also led in rebounds, and Mike Rohach led in assists. Carstensen, Rohach, and Don Martin received conference honorable mentions.

J.V.'s Place Fifth In Conference

Franklin's J. V. team ended the season with a seven and eleven record. They placed fifth in the conference with a seven and nine record. The team was led by Ron Krueger, Jeff Marsh and Dave Pollman. After Christmas, Bill Laupon was moved from the varsity and was the leading scorer and rebounder while he played on the J. V. team. A number of J. V. team members should be able to make valuable contributions to next year's varsity team.

The Freshman team posted a six and six win-loss record in their first year of conference play. Jim Laska led the team in scoring, and Tim Volvosek and Jim Laska were co-captains.

Winters Brothers Go To State

This year's varsity wrestling team started out its season with an excellent dual meet record of 13 wins and one loss. The Saber matmen then continued their winning ways by capturing the team championship at the Eagle Invitational and second place at the Parkland Conference meet.

Four wrestlers took first place at the conference meet for Franklin. They were Randy Kawczynski, Mike Winter, Dan Winter, and Dave Megna. During state regional competition Mike Winter, Dan Winter and Brad Hayes all were able to advance to sectional competition. At sectionals, Brad Hayes lost but the Winters brothers gained second place and a chance to go to Madison for the state meet. At state, Mike Winter lost in his quarter final match, but Dan went on to take fourth place in the state in the 126 pound class.

Because this year's team consisted mainly of juniors, Franklin High can look forward to a repeat performance next year of this year's super wrestling season.

J.V.'s Show Spirit

The J. V. squad was plagued this year with a small turnout and call-ups to the varsity team during the course of the season. Despite, these handicaps, the team showed the kind of fighting spirit that has made the Sabers a power in the conference.

Winter And Garvans: Undefeated

This year the Freshmen team joined the Varsity and the J. V. team with evening meets. The freshmen showed good development over the season, leaving two with undefeated records: Brian Winter and Joe Garvans. Balance, strength, and technique visibly improved with each match for Randy Sawicki, Scott Langhoff and Bob Biondich, leaving them with very good win records. Not pictured with the team is Jeff Olson, who showed good individual development this season and brought the team some pins.

To augment the season the Frosh entered the Greenfield Invitational with Randy Sawicki, Brian Winter, Bob Biondich and Joe Garvans returning with Championships in their weight classes.

The 1976 Varsity track season must be looked at as a year of development with promise of things to come. Injuries to key seniors held the team back throughout much of the season. Sophomores Joel Coert, Jeff Marek, and Tom Duranso each broke a Sophomore record. Juniors Bob Langenhohl and John Scheetz advanced out of the regionals.

The 1976 boys' J. V. track team had an exceptional season. After a slow start during the indoor season, Franklin's J. V. s won all of their conference triangular meets.

AN END OR A BEGINNING?

There was a time when a high school diploma could be considered an end — sufficient education for the job ahead. But no more.

Not in these days of ever-advancing technology and intense individual competition. Now, whether you're planning on a white-collar or blue-collar job, the requirements are much the same — more knowledge, more skills, *more education.* And that means study beyond high school.

The decision is yours. Make it carefully, for it will be one of the most important you'll ever make. We at Allis-Chalmers hope it will be for further study.

Being deeply involved in space-age technology, we know first-hand the importance of special skills and education.

Just as you will, in the future — *when it counts.*

Susie,

Well, we're finally almost out of this place for good, I can't believe it. We've all really changed & settled down since freshman year which has probably been for the best hun? Well I hope you have a great summer, We'll probably get together a few times, and don't get married yet!! Take my word for it, we're to young & we've still got some good years left!! Don't make the mistake I almost did.

Love
Jil Will

Sue,

I'm glad your D.E.C.A. president. I know you'll do a good job. Hope to see ya over the summer. Have a fun summer & Take care. See ya next year.
